

Lifting Club Sober Social Ticket Subsidy!

- **Basic Info**

- Available to a limited number of applicants per event, the society will cover £5 towards the cost of our sober socials and end of year formal event during TB1.
- We plan on having 3 sober socials, and an end of year (non-sober) formal meal to celebrate the end of term.
- The application will be kept as anonymous as possible, however a select few committee members will be able to see your email and name in order to identify and contact recipients.
- We want to give the subsidy where possible, however The Lifting Club Committee reserves the right to decline applications for any reason they see fit.
- We hope to continue this in 2nd and 3rd term as well however this will be dependent on evaluating our budget and interest in the scheme over the Christmas holiday.

- **Who can apply?**

- Anyone who is a recipient of the University of Bristol Bursary!
- You must be within the first ten people to apply for the subsidy for any given event due to limited availability.
- Each sober social and formal will have its own form, so if you miss out the first time don't give up for future events!

- **How to apply?**

- Keep an eye out for promotion of social events on our public social media, private WhatsApp group, and newsletter
- Go to the Microsoft form that will be circulated and fill in the relevant details.
- You will be required to upload a screenshot of evidence of your bursary.
 - This can be found by going to Evision > Fees & Funding > Bursaries and Scholarships
- You may also be required to upload a screenshot or picture of receipt of your ticket to the event. Dependant on event this may not be possible until after the event has taken place. Please bear in mind the 10 person limit so if you attend but are not within the first 10 applicants you won't be able to claim the subsidy.
- The Club will contact you by your student email for confirmation of your bank details only if you are successful to send your £5 subsidy. Failure to reply to these communications within 7 days will result in your subsidy claim being null and void.
