The Bristol SU Director Team

About Us

The University of Bristol Students' Union is a membership organisation democratically led by students, for students. We represent over 32,000 student members and work to make sure that they get the best from their time at university by providing over 350 clubs, societies and networks, offering free support services and academic advice and representing students on the issues that matter to them. Bristol SU is also home to a number of enterprise services such as a lettings and property-management service, a shop and social spaces and venues selling refreshments and hosting brilliant events. We reinvest all of the profits from these services back into Bristol SU to enable us to continue to support a great university experience for Bristol students.

Our Values

It's not just what we do that matters, it's how we do it. We will reflect what is most important to our students:

We are loud and proud about **equality, diversity and inclusion**. We are a Union for all students.

We want our students to thrive, so we support the **wellbeing** of our students through the services that we offer and the campaigns that we run.

We believe **community** matters; we create a sense of belonging across the student body through out student groups, networks, events and spaces.

Sustainability underpins all that we do; we want our Union, our University and our planet, to be here for the long term.

We believe opportunities for joy, humour and positivity are important, we want our students to have **fun** whilst at University.

I have been working for Bristol SU a long time and still love it because it is a fun and dynamic place with a great staff team, brilliant students and a leadership team who support and care for staff. No day is ever the same, there are always opportunities to try new things and good learning and development opportunities.

What We Do

Community, activity and opportunity

Bristol SU offers around 350 sports clubs and societies - one of the highest in the country. This means that there is something for everyone to get involved in. Our experienced staff team support Bristol University students to set up and run their clubs and societies, events and volunteering projects. We also run a Volunteering & Fundraising Network which brings together social impact activities at Bristol SU and provides opportunities for students wanting to make a positive impact in the community.

There is always something happening at Bristol SU, including tons of events taking place every day either virtually or in our SU building. Events range from workshops, training sessions and awards evenings to music, comedy and club nights.

Voice, Insight and Advocacy

Democratic decision-making is integral to Bristol SU. Our members elect the people that lead our organisation and represent their voice. Bristol SU is powered by a network of hundreds of student representatives who make sure that student voice is a central factor in shaping the university experience and the decisions affecting their education. Our advice service, Just Ask, enables us to provide support to students with problems they might be experiencing during their time at university, and our experienced team offers information and support for students needing help with academic issues and concerns.

Support and Services

The Students' Union is home to a number of social enterprises that provide services to our student members, reinvesting the profits back into student activity. Our services include our lettings service, which improves the moving experience for students by providing affordable, quality housing solutions. It also includes our shop, 'The Basket', selling a range of accessories, merchandise, gifts, and stationery. We also provide inclusive and vibrant spaces for students to study and connect with others, relax over a meal or a drink, or take part in student-led events.

How We Are Run

Trustee Board and Student Leaders

We're a democratically-run organisation, with student officers elected annually to represent their peers. Our Board of Trustees holds the ultimate responsibility for everything we do.

Our Board of Trustees is made up of 16 members including our full-time officers, student trustees and co-opted (external) trustees. They meet regularly throughout the year, with committees meeting at regular intervals before each Trustee Board.

Every year, students are given the chance to vote for and stand to be one of the seven full-time officers who lead our organisation. They are paid a salary and work full-time for one year. Their post involves representing students, making day-to-day decisions on behalf of the organisation and working with the staff team to deliver our strategy.

Finance and Funding

We receive some funding from the University which is given to us each year in the form of a block grant. We also raise funds through our commercial activity and receive a small amount from donations and other grants.

We are a charity and therefore do not generate a profit - every penny we make is reinvested back into our services for students.

Our Student Leaders

Our full-time officers are elected every March by the student body to take on full-time, paid roles to lead the Students' Union for one year. They represent the voice of students and help improve the student experience at Bristol.

Our current full-time officers are...

Equality, Liberation &

Jessie

Sharan

Diversity and Inclusion at Bristol SU

Our people are proud of our values and care about creating diverse and supportive communities that are inclusive of age, disability, gender identity, race, religion, sexual orientation and experience.

Bristol SU strives to have an inclusive culture and an environment for all, underpinned by respect and compassion, where everyone feels welcomed, included, supported, valued and safe. Where there is clear evidence of underrepresentation in our staff team we use Guaranteed Interview schemes to encourage applications. However, all decisions and appointments are made based on the skills, experience and suitability of candidates for the position, regardless of any protected characteristic. Applicants who do not qualify for either guaranteed interview scheme remain fully eligible to be shortlisted, interviewed and appointed. We welcome applications from people of all backgrounds, and successful candidates are selected on merit.

Guaranteed Interview Scheme for People of Colour

We want to attract the best candidates possible and we are committed to ensuring that everyone is treated fairly throughout the recruitment process. We recognise that candidates that are people of colour may face additional barriers throughout their careers and when applying for new roles across the sector. We are committed to taking positive action to expand the diversity of our staff team by offering a guaranteed interview scheme for people of colour.

It is important to note that this scheme guarantees an interview for people of colour who meet the minimum criteria (at least 80% of the 'essential' criteria in the person specification) and tell us that they'd like to be considered under the scheme. The selection decision at interview will be based on the most suitable candidate, regardless of any protected characteristic.

It is important to note that there may be occasions where it is not practicable, or appropriate, to interview all candidates who have selected to be included within a guaranteed interview scheme who meet the minimum criteria for the job. In certain recruitment situations such as high-volume, seasonal and high-peak times, we may limit the overall numbers of interviews offered to all candidates - including those applying within our guaranteed interview schemes. In these circumstances we will select a minimum of two candidates from the scheme who best meet the minimum criteria for the job, rather than all of those that meet the minimum criteria.

Diversity & Inclusion

"Be yourself, be proud of the work you do and build a career in a place that knows that different is good."

Guaranteed Interview Scheme for Disabled People

We want to attract the best candidates possible and we are committed to ensuring that everyone is treated fairly throughout the recruitment process. Bristol SU is proud to be accredited as a Level 1 Disability Confident Employer making a commitment to the recruitment, development and retention of disabled staff. We recognise that disabled candidates may face additional barriers throughout their careers and when applying for new roles across the sector, and we are committed to taking positive action to expand the diversity of our staff team.

Impostor Syndrome

Impostor syndrome is the overwhelming feeling that you don't deserve your success. It can convince us that we are not as intelligent, creative or talented as we may seem. It often strikes when applying for a job, and has long been thought to disproportionately affect women and people from marginalised backgrounds. If you recognise feelings of imposter syndrome during your job search, [you'll find some useful tips to help overcome it here.](#)
