### **Help shape our future and improve the lives of over 30,000 students.**

This is an exciting time to join Bristol Students' Union. We are starting the second year of a strategy that will see us become a Union for all Bristol Students; we have a new Co-opted Trustee Co-Chair; recently undertook a Board Effectiveness Review and will be reviewing and amending our Articles next year

We're more digitally connected, and embracing the opportunities and challenges that our new Temple Quarter campus and Mumbai Enterprise Campus brings us in September 2026. As a Trustee, you'll be crucial in helping shape this journey as well as addressing pressing issues such as:

- Access to education
- Mental Health
- Accommodation
- Race inequality
- Poverty
- Inclusivity
- Internationalisation

Ultimately, you'll be involved in providing strategic, financial and governance oversight to help achieve our vision of "a Union for all students"

### **What will you bring?**

Experience as a trustee, a member of a commercial board, or in a senior management role with leadership or governance responsibilities is essential. This is due to the nature of our board: as a membership organisation, we have a strong representation of student voice through officers and student trustees. They are almost always first-time trustees and will benefit from co-opted trustees with strong insight and experience in leadership, governance and strategic decision making.

We value and are looking for committed and engaged trustees. However, whilst we're relatively open in terms of skillsets, ideally, you'll have expertise in one or more of these areas:

- **Legal especially charity or company law**
- **Equality, Diversity and Inclusivity**
- **Charity governance**

Most importantly, you'll be committed to making a difference to the lives of our 32,000 members and around 400 clubs and societies.

Please note, this role is not open to current University of Bristol students or anyone who has been one within the last two years. Student trustee opportunities and other student leadership roles will be available in the March 2026 election.
