Diversity and Inclusion at Bristol SU

Equality, diversity and inclusion are central to life at Bristol SU. We approach our work with positivity and celebrate our diverse and unique communities. Our people are proud of our values and care about creating diverse and supportive communities that are inclusive of age, disability, gender identity, race, religion, sexual orientation and experience.

Bristol SU strives to have an inclusive culture and an environment for all, underpinned by respect and compassion, where everyone feels welcomed, included, supported, valued and safe. We are committed to taking positive action to expand the diversity of our staff team by offering two guaranteed interview schemes. These are for people of colour and for disabled people.

Guaranteed Interview Scheme for People of Colour

We want to attract the best candidates possible and we are committed to ensuring that everyone is treated fairly throughout the recruitment process. We recognise that candidates that are people of colour may face additional barriers throughout their careers and when applying for new roles across the sector. We are committed to taking positive action to expand the diversity of our staff team by offering a guaranteed interview scheme for people of colour.

It is important to note that this scheme guarantees an interview for people of colour who meet the minimum criteria (at least 80% of the 'essential' criteria in the person specification) and tell us that they'd like to be considered under the scheme. The selection decision at interview will be based on the most suitable candidate, regardless of any protected characteristic.

It is important to note that there may be occasions where it is not practicable, or appropriate, to interview all candidates who have selected to be included within a guaranteed interview scheme who meet the minimum criteria for the job. In certain recruitment situations such as high-volume, seasonal and high-peak times, we may limit the overall numbers of interviews offered to all candidates - including those applying within our guaranteed interview schemes. In these circumstances we will select a minimum of two candidates from the scheme who best meet the minimum criteria for the job, rather than all of those that meet the minimum criteria.

Impostor Syndrome

Impostor syndrome is the overwhelming feeling that you don't deserve your success. It can convince us that we are not as intelligent, creative or talented as we may seem. It often strikes when applying for a job, and has long been thought to disproportionately affect women and people from marginalised backgrounds. If you recognise feelings of imposter syndrome during your job search, [you'll find some useful tips to help overcome it here.](#)
