

TIME TO LEAD

Student Trustee

About Us

The University of Bristol Students' Union is a membership organisation democratically led by students, for students. We represent over 30,000 student members and work to make sure that you get the best from time at university by providing over 300 clubs and societies, offering free support services and academic advice and representing students on the issues that matter to you.

Students drive and are at the heart of everything we do:

- We are the collective voice of University of Bristol students
- We support activities, so students can try new things and develop skills
- We advise, support and empower students to make change
- We are a vibrant social hub
- We provide quality services for the benefit of students

Our Values

It's not just what we do that matters, it's how we do it. We will reflect what is most important to our students:

We are loud and proud about **equality, diversity and inclusion**. We are a Union for all students.

We want our students to thrive, so we support the **wellbeing** of our students through the services that we offer and the campaigns that we run.

We believe **community** matters; we create a sense of belonging across the student body through out student groups, networks, events and spaces.

Sustainability underpins all that we do; we want our Union, our University and our planet, to be here for the long term.

We believe opportunities for joy, humour and positivity are important, we want our students to have **fun** whilst at University.

- Respond promptly to emails and calendar invites and complete any relevant forms
- Work with fellow trustees and staff to uphold and scrutinise the work of Bristol SU
- Respect confidentiality and only discuss trustee papers with other trustees/key staff

What can you expect from the role?

- A trustee's role is to ensure the SU acts in the best interests of both students and the SU
- You will be expected to understand your duties as a charity trustee, and contribute to decisions that may be difficult or contentious.
- Student Trustees are collectively, jointly and legally responsible and accountable for the governance and activity within Bristol SU with all the trustee board including:
 - Ensuring Bristol SU acts lawfully and is compliant with relevant laws and regulations (charity law, company law and the Education Act)
 - Making sure the SU works within its charitable objects (also called our purpose – what Bristol SU is set up to do) and follows its Byelaws, Articles and key governance documents

 - Protecting the SU's financial stability and ensuring the SU uses its resources responsibly
 - Upholding the SU's reputation and ethos
 - Identifying, managing and mitigating organisational risks
 - Engaging with complex information, balancing competing priorities. At times, you will need to make challenging or unpopular decisions that balance short-term student opinion with the long-term sustainability and integrity of the Union. This will be done with full support from the SU team, as well as support from any external professionals or organisations.
- Student Trustees help ensure the SU understands student experiences and priorities. While you can draw on your own experience, you are not on the Board to represent students
- Trustees ensure that Bristol SU doesn't undertake activities that put its financial stability, members or reputation at undue risk
- Trustees do not manage day-to-day operations but provide strategic direction, ensure the organisation is legally and financially compliant, and uphold the values of the SU
- Learn more about being a trustee on the [Bristol SU website](#), and read [The Essential Trustee](#) before standing

People, Culture & EDI Committee members attend an extra one-hour meeting (meetings are ideally in-person, but some can be online)
- Participate in online or in-person safeguarding and disciplinary/appeals training and hearing appeals of complaints
- You will be expected to prepare for meetings by reading papers in advance, prepare comments and constructive questions, and take shared responsibility for decisions — including those that may be complex or sensitive. There can be up to about 50 pages to read per board meeting.

Support We Provide

- Full training, support, and guidance are provided — most students haven't been trustees before
- New trustees are invited to observe the final Board meeting on Tuesday 16 June 1–4pm and to meet current trustees (optional)
- Dates for trustee training, the awaydays, and finance training will be confirmed in early 2026
- 1-to-1 meetings are held across the year with the co-chairs to discuss experiences, give feedback, and ask questions
- Ongoing support from the Clerk, SU staff, and other trustees

What time commitments are there?

To help you get your voice heard by the University and other students, you'll need to commit some time ahead of the election. This could be because you're training or campaigning to become a student leader; it's an exciting and rewarding period!

The Important Stuff

You'll need to write a personal statement, which is your chance to tell students who you are, why you are standing for elections, what your plans are in the role, and why you should get elected. It's time to show them why you're the best person for the role. Please submit this personal statement by **12.00 27 February 2026**.

This year, we are running two Rules Briefings on **Weds 25 Feb 12.30-15.00** and **Tues 3 Mar 12.00-14.30** and we will ask which one you're attending once you've put in your nomination. It is a compulsory session and you won't be able to campaign if you miss it!

Voting week runs from **9 March 2026 to 12 March 2026** and this is also your time to campaign. We highly recommend you go out there, show your face, and chat with as many students as possible.

We will be letting you know the results on **13 March 2026** in the SU Living Room. You're welcome to bring your friends/campaign team along with you, and there will be SU staff to offer support should you need it.

Candidate Academy

We want to make sure you feel supported if you decide to run in the elections and run a series of sessions to give you more information about the role and how to campaign, such as:

**Info Session: Governance and Democracy
(DSC, Trustees, Council chair)**
